

Guidelines for Keystone Teacher's Association Scholarship
Application Deadline – April 14, 2023

1. Students applying for the K.T.A. Scholarship must be a graduate of Keystone School or attended Keystone School for at least 1 year. The scholarship amount is \$1000.00 (\$500.00 per semester for two semesters).
2. In order for a student to qualify for a K.T.A. Scholarship, he/she must be enrolled as a full-time student at a post-high school institution. A full-time student is defined as one who is enrolled in a minimum of twelve (12) semester hours. Post-high school institutions include four-year colleges or universities, two-year colleges, and vocational or business schools.
3. A high school transcript must be included with this application. *** Application must be complete.***
4. At the discretion of the scholarship committee, applicants may be required to meet individually with the committee in order to have questions answered.
5. Scholarship monies will be sent directly to the college or university of the student's choice. Monies will not go directly to the student, but will be used through the registrar's office for payment of required fees, tuition, and/or books. One-half of the money will be sent for the first semester and one-half for the second semester. Failure of the recipient to enroll in the second semester of his college career means the forfeiture of the second half of his scholarship monies. These monies will revert back to the K.T.A. Scholarship fund to be used in succeeding years.
6. The recipient must notify the chairperson of the committee of his/her intent to accept the scholarship and of his/her chosen school by July 1 of the summer before the money is needed for the freshman year. Before the second semester scholarship money is distributed, each recipient must notify the scholarship chairman in writing that he/she has established a minimum of 2.0 grade point average and that he/she intends to complete the second semester. The recipient must also furnish the address of his/her chosen school.
7. The scholarship will be presented at the Keystone 8th Grade Graduation with the opportunity to give an acceptance speech.
