

August/September News

Ranger of the Month Math Masters AR

We will be starting AR tests, a new math facts challenge for grades 1st-4th, and our Ranger Rally this month! More info to follow

A Note From Mrs. Veldkamp

I am so excited to be back at Keystone as the Elementary Principal. I loved seeing everyone at open house. The start of this year has been wonderful and I am looking forward to the rest of the school year.

Staff Spotlight

Ms. Boyd

Ms. Boyd is one of our amazing teacher aides! You will always see her at afternoon car rider line working hard. Ms. Boyd has been such a wonderful help at the beginning of the school year by pitching in where ever she is needed. She has also stepped in and has taken the role of helping in the Pre-K classroom. Ms. Boyd was made for this job ☺

Ms. Palmer

Ms. Palmer moved from a first grade position to being our Elementary Special Education teacher! Ms. Palmer has worked very hard to create a classroom environment where her students feel welcomed and appreciated. Her lessons are fun and meaningful for our school. I am so thankful for all her hard work getting everything ready for this year ☺

What's Happening This Month

- No School on Monday, September 6th, 2021.
