

# November News

## Ranger of the Month Math Masters

### AR

We have approximately 10 students who are currently Addition Math Masters!

Great work ☺ We are celebrating several students who earned the next level prizes in AR. Keep up the hard work.

## A Note From Mrs. Veldkamp

We had an AMAZING book fair this year and we were able to buy over \$3,000 worth of books for our school library. Thank you for all your support. Red Ribbon week was a success and I loved seeing everyone dressed up!

## Staff Spotlight

### Coach James

Coach James is our PE, archery, and baseball coach! He is definitely a school favorite. Coach James works to build relationships with all the students. He is out greeting students in the morning as they come in. Coach James also created the hygiene gift bags for the middle school students. We can always count on coach to step up and in whenever needed ☺

### Ms. Tammy

Ms. Tammy is our librarian and wonderful lunch counter. Ms. Tammy isn't afraid to step in whenever needed in classrooms or helping with projects. Ms. Tammy is also in charge of all the AR points and awards. The students can always count on her to help them pick out a book or help decide what to read next. She did an awesome job with the book fair this year and we are so thankful for her ☺
